04. Create History
05. ROI
06. Long Term Relationship

# INTRODUCTION

The Black Hat Junior Concept, initially founded in 2023, began with a visionary mentor from Kibbutz Kfar Aza, Israel, whose passion was to prepare the next generation for a digital world filled with both opportunity and risk. Though he tragically passed away in 2023, his mission lives through a revolutionary learning model that empowers children with real-world cybersecurity, AI, and future-tech skills.
